## **2017 MILITARY ORDER OF THE PURPLE HEART SCHOLARSHIP APPLICATION PACKAGE**

### **GENERAL INFORMATION**

The Military Order of the Purple Heart (MOPH) is a non-profit membership organization that is not affiliated with any military service branch. Approved membership is voluntary and not automatic upon receipt of the Purple Heart.

The MOPH Scholarship Program is funded by a grant from the MOPH Service Foundation. The MOPH Scholarship Program is a competitive scholarship program that awards approximately eighty (80) scholarships to Purple Heart recipients, their spouses, children, and grandchildren each year. At least one applicant with military service will also be awarded the Navy SEAL LT Michael Murphy Memorial Award, in addition to the MOPH Scholarship.

This application package includes information pertaining to the MOPH Scholarship Program, eligibility and application requirements, and a Scholarship Application Form. The MOPH Scholarship Committee evaluates all applications that are timely received and meet the eligibility and application requirements described below. All aspects of the application (academic achievement, extracurricular activities, community and military service, work experience, letters of recommendation, and essay) are considered and evaluated by the MOPH Scholarship Committee. The MOPH Scholarship Committee makes all decisions regarding the eligibility for a MOPH scholarship and the award of a MOPH scholarship and, all decisions by the MOPH Scholarship Committee are final.

Not every applicant will receive a scholarship. Typically, about 25% of eligible applicants are annually awarded a MOPH scholarship. This is not a full tuition scholarship. The amount of the scholarship may vary each year subject to funding levels. We anticipate that the scholarships awarded this coming year will be approximately valued at \$2,500 per scholarship recipient, which will be split between two semesters, \$1,250 for each semester.

MOPH scholarship checks are *required* to be endorsed by both the student and the school. The college or university, therefore, may exercise some control over how the funds are utilized and this can impact the level of financial benefit realized by the student. Each college and university has its own policy regarding how outside scholarships are processed. It is up to the applicant to understand the policy at his or her university or college and, be aware that in certain circumstances a MOPH scholarship may be used by the school to reimburse another provider of financial assistance, like the VA for applicants using a GI Bill, therefore eliminating any added financial benefit to the student. Please visit the VA GI Bill Website: [www.gibill.va.gov](http://www.gibill.va.gov) for more information. In such a case, we request that the MOPH scholarship be returned, so that it can awarded to one of the applicants designated as an Alternate by the MOPH Scholarship Committee.

### **ELIGIBILITY**

To be eligible to apply for a MOPH Scholarship, applicants need to be a member of one of the following categories:

- A Purple Heart recipient who is a Member of the MOPH, *or*
- The spouse of a Purple Heart recipient who is a Member of MOPH, *or*
- The direct lineal descendent (child, step-child, adopted child, grandchild, or step-grandchild) of a Purple Heart recipient who is a Member of MOPH, *or*
- The spouse, widow/widower, or direct lineal descendent as defined above of a service member killed-in-action or who died of wounds. If the Purple Heart recipient is listed as killed-in-action or died of wounds, supporting documentation and evidence must be included with the application.

A Purple Heart recipient who is not a member of the MOPH can become a member by applying online through the MOPH website: [www.purpleheart.org](http://www.purpleheart.org). To be eligible to apply for the scholarship, the Purple Heart recipient must be a current member, a member at the time of his or her death, or documented as killed-in-action or as having died of wounds. If you do not know whether your lineal descendent was a member of MOPH before his or her passing, please contact MOPH Headquarters for assistance at (888) 668-1656 or (703) 642-5360 and ask for MOPH Membership.

Great-grandchildren are *not eligible* to apply. A MOPH Associate membership or membership in the MOPH Ladies Auxiliary *does not* by itself convey scholarship eligibility. It is highly recommended that non-Purple Heart recipients become either Associate members or members of the Ladies Auxiliary and, such membership does convey additional credit in the application process.

In order to be eligible to receive a MOPH Scholarship, applicants must meet the following three requirements:

1. A graduate or upcoming graduate (current senior) of a high school or GED program, *and*
2. Accepted by or enrolled as a **FULL-TIME** undergraduate student at an accredited U.S. college, university, or trade school at the time the scholarship is awarded, *and*
3. Able to demonstrate the capacity for advanced academic achievement or technical proficiency, as demonstrated by maintaining at least a 2.75 cumulative Grade Point Average (GPA) based on an un-weighted 4.0 grading system.

Graduate students and students returning to school to receive *additional* undergraduate degrees after successfully completing at least one prior undergraduate degree program are *not eligible* to apply. A **full-time** student means carrying 12 or more credit hours per semester, or 18-quarter credit hours, or as determined by the school. The academic requirement of a 2.75 GPA may be waived for a Purple Heart recipient who is a member of the MOPH.

An applicant may receive a maximum of two scholarships awarded in non-consecutive years. Scholarship funds can be used for tuition, books, incidental fees, room and board, and other direct costs associated with higher education. MOPH scholarship funds cannot be used for transportation expenses, summer school, to pay pre-existing educational loans, or to pay for a special program/research project.

### **APPLICATION REQUIREMENTS**

To apply, applicants need to complete and submit the following materials:

1. MOPH Scholarship Application Form, *and*
2. Original, **official** high school and/or college transcripts through the latest completed semester or quarter, *and*
3. Essay of 300-400 words on the following subject: President John F. Kennedy said, “ask not what your country can do for you, but what you can do for your country.” Considering President Kennedy’s words, how will you use your education to serve your country and its citizens?

*and*

4. Two (2) letters of recommendation, *and*

5. A resume that lists all extracurricular activities and honors, community and/or military service, and employment experience, describing each activity in detail to include the number of hours the applicant spends per week/month on each activity, *and*
6. A non-refundable \$15.00 processing fee. Cash and credit cards *are not* accepted. Please send a check or money order made out to the Military Order of the Purple Heart and ensure the “for” line of the check states that the check is for the MOPH Scholarship Application processing fee.

All applications must be mailed in hard copy form to the address indicated at the top of this application packet. Faxed or emailed applications *will not* be accepted.

Letters of recommendation may be written by any individual who can attest to the character and potential of the applicant, such as a teacher, coach, religious leader, work supervisor, unit commander, etc.

After an application is submitted, the only information that can be changed is the name of the college, university, or trade school that the applicant plans to attend.

#### **Navy SEAL LT Michael Murphy Memorial Award**

Lieutenant Michael Murphy was a United States Navy SEAL officer who was killed in combat on June 28, 2005 in Afghanistan. LT Murphy was killed trying to protect the men that he led by knowingly leaving his position of cover while surrounded by enemy fire in order to get a clear signal to communicate with his headquarters to request immediate support for his team. He provided his unit’s location, requested immediate support, and then continued to fight until he died from his wounds. For his heroic actions, he was posthumously awarded the Medal of Honor. LT Murphy was the first member of the U.S. Navy to receive the Medal of Honor since the Vietnam War.

For applicants with military service who are interested in being considered for the **Navy SEAL LT Michael Murphy Memorial Award**, please submit a copy of your DD-214, copies of all awards and decorations and any accompanying citations, in addition to the application requirements listed above on pages 3-4.
