Volume 5 Issue 7

DEPARTMENT COMMANDER
Patriot Keith Gray

Arizona Patriots,

First, I want to thank each of you for your support in our mission and our activities. Without you we would not be able to accomplish all that we do for veterans.

Chapter elections are currently taking place across Arizona. I want to thank all the officers who chose to stay and continue their leadership roles. Don't forget to mentor those interested in your position so we will have more candidates to hold chapter leadership positions in the future.

To all who chose to step back and allow someone else to take on a leadership role, thank you for your hard work and dedication over the year. It was a pleasure working with you.

I'd like to congratulate all newly elected officers for stepping into leadership roles. I can't wait to see what great things the Order can accomplish with this group of leaders on the Department Executive Committee.

Lastly, Chapter Commanders please provide your written reports so I can get the Department report compiled.

Please remember to get your election reports filed and continue working on life member verification so that report is filed on time. Our Department Convention is fast approaching, and I look forward to the good times that will be had. I hope to see you there!

The **Military Order of the Purple Heart National Convention is July 14th through July 18th** in Sparks, Nevada this year. This is reasonably close by and a good opportunity for members to attend the National Convention. Registration is open and more information is further down in the newsletter.

Yours in Patriotism,
Keith Gray
Commander

VIETNAM MEMORY ON NATIONAL VIETNAM VETERANS DAY: This memory is from **Patriot Sal Salinas**. On April 13, 1966, **3rd Platoon of India Co. 3rd Battalion, 3rd Marines**, headed south off Hill 55 on a major operation. We crossed the river below Hill 55, for what turned out to be the last time. **Lance Corporal Joe Pacheco** was singing the Nancy Sinatra hit song “THESE BOOTS ARE MADE FOR WALKING” as we moved down the hill. By sundown, he would be Killed In Action as would **Private First Class Alexander McGrothlin** and shortly thereafter, the entire 2nd squad, me included, would be wounded and **Sergeants Robert Vaden** along with **Molimau Tela** would also be killed. Navy Corpsman Tom Harris came to my aid and performed a tracheotomy with a ballpoint pen, that saved my life! My brother Marine, Charlie Fink carried me to the medivac helo that was called in. All the time we were taking fire. One hour before dark was when all this occurred. I was flown to the aid station in DaNang where I received medical attention. I was then flown back to the United States where I recovered from my wounds at Brooke General Hospital in San Antonio, TX.

As we few, recall this day, raise a glass to all the brave Marines and Corpsman who proudly served an ungrateful nation. SEMPER FI!

I cannot believe March has come and is almost gone! The Chapter had another good fundraising campaign at the Sun Dome Plaza Merchants Arts and Crafts show on the 14th. Led by Jim Starkman

and supported by John Ballenger, Ron and Cindy Capek, we brought in \$1,387 and thanks to our 50/50 raffle ticket winner who gave all of her winnings back to us, every bit of that money will go to support our Purple Heart programs.

We also signed up a new member during breakfast before the show started. Steve Alexander is a screenwriter, actor, and producer who received his Purple Heart in Iraq in 2004. He will be our guest speaker at the June meeting.

The Chapter provided \$1,000 in disaster relief funds for hotel costs and home repairs incurred by a Navy Veteran and her husband after a home fire. Even with the funds provided by the Department, it did not cover everything but it did help.

I hope to see you at the Chapter meeting. You can always get the latest meeting information and video connection on our website at <http://691.mophaz.org/>.

H.R. 2081 > The "Donut Dollies Congressional Gold Medal Act." The bill, H.R. 2081, is titled, *To award a Congressional Gold Medal to members of the Red Cross Supplemental Recreational Activities Overseas (SRAO) program, also known as the 'Donut Dollies,' who served honorably during the Vietnam conflict.*

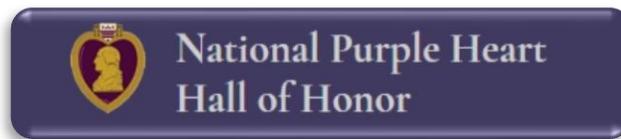

"These Red Cross volunteers were selfless, brave, and resilient. Every Vietnam veteran I know

respects and admires them for the guts they showed as they braved incoming mortars, snipers, and ground-to-air fire to visit the firebases," said McManus. "They were a lifeline. They brought a touch of home to the frontlines and offered compassion and comfort when service members needed it most." 1,120 women volunteered to serve with the Red Cross during the Vietnam War, and 627 of those women worked as Donut Dollies. They provided critical morale boosts to soldiers. Dollies traveled by jeep, truck, and helicopter to forward operating positions, logging over 2,000,000 miles visiting combat troops at remote fire bases. Their job was to bring smiles, songs, games, and a touch of home to the

day, 365 days a year to serve veterans, their families, caregivers, and survivors.
